

Become Curriculum – Discover Your Purpose

The Objective:

1. Improve health of the Mind Heart & Spirit
2. Achieve fulfillment in your personal life and professional life
3. Discover the gifts that will provide you with the highest level of success
4. Be a happier Person.

Discover your Purpose

Find the answers to these two questions:

1. Purpose

a. Genius-level Talent

- What natural ability have you been given that you can convert into a genius level skill?
 - **Things to consider when exploring your Genius-level Talent**
 1. Genius-level Talent provides you with:
 - Pre-established foundation of aptitude in a specific subject matter or activity
 - A limitless capacity for knowledge retention
 - A high level of instinct for specific subject matters and activities
 2. Don't think about what you want to be good at...think about what you have always been good at.
 3. What can you do better than anyone else in the world?

b. Passion

- What is the one thing you would do for the rest of your life to benefit all of humanity?
 - **Things to consider when exploring Passion**
 - Could you do your passion every day or most days?
 - Does your passion help others?

c. Make your Genius-level Talent and Passion make sense.

- How does your purpose and passion work together???

Here is an example of my:

- ✓ My Genius-level Talent – My understanding of Faith and Purpose
- ✓ Passion – Basketball Training – Inspirational Speaking
- ✓ My Purpose – I was put on earth to help people discover their purpose through inspirational speaking and basketball training.
